

Cyber Security Education Day

Information Assurance Outreach Initiatives

The University of Memphis
September 26, 2005

Venue: The Zone, FedEx
Institute of Technology

365 Innovation Drive
Memphis, TN 38152-3115

9:30AM - 4:15PM

The University of Memphis will host an educational event addressing the topics of Information Assurance and Basic Cyber Security. This community outreach event aims to build partnerships with local and regional educators. Participation is free.

The event will focus on the importance of information assurance education and the growing need for information assurance training for professionals in various disciplines. If you are interested in attending, register online at the following website: <http://cfia.memphis.edu>
Email: cfia@cs.memphis.edu for inquiries.
